

## Enhance and Secure Syndicate Listings

Ensure that your business online presence is found when consumers are searching for you in your local marketplace.

## Local Presence

Take your business to a new level. Enhance your listing with specific details and let us syndicate your information. Let us help you build your online presence.

## Attention To The Details

Customers are searching for you online and stand out with an enhanced business description, photos, videos, links, and more. Claim your listings with the major directories and be found.

Let us help you authorize, verify, and ensure that your information is up-to-date so you are found by customers.

## Must Read

"There are over 3.6 billion local searches per year! This does NOT include major review sites like Google+ Local, Angie's List, YellowBook, Yellow Pages, Local.com and many more" - *BIA/Kelsey*

"40% of searches click the first link on search engines" - *AOI/Cornell User Study*

"82% of local searchers follow up offline" - *ComScore Survey*
